Negroni, the newest edition to Melbourne's hospitality industry, has emerged in a class of its own.

Incorporating an Espresso Bar, Wine Bar and downstairs Cellar Bar, it can cater for every event from a casual business lunch to a cocktail party of the highest extravagance.

Situated in the heart of the Melbourne City corporate sector, the Espresso Bar and Wine Bar are perfect for corporate lunches with style or dinner with friends, with the option of al fresco street dining. The authentic Italian cuisine is simple, elegant and executed with originality and flair.

As you descend down the marble stair case to the Cellar Bar, prepare yourself for the breathtaking display of soft leather couches, impressive chandeliers, renaissance style mirrors and racks upon racks of wine to envy a vineyard. Whether it be nestled in the corner of a candle lit couch area or appreciating the outstanding service as you dine on the vast antipasto selection, Negroni exudes an opulent, sophisticated atmosphere unmatched in Melbourne.

The staff at Negroni are industry professionals who excel in providing the highest quality service and will ensure that your function is remembered by all for its impeccable style.
